OBJECTIVE

To gain professional experience within various fields so that I can widen my knowledge on subjects. Make good connections with others so that I can continue to work with them throughout my whole life.

SKILLS & TRAITS

- Word
- Excel
- CSS
- HTML
- Java
- Python
- Adobe Creative
- Customer-Oriented
- People Skills
- Organized
- Great Leadership
- Reliable
- Fast Learner
- Team Player
- Hard Working
- Problem Solving

SUMMARY

I highly value teamwork as a result of participating in many team sports. Three years ago, when I entered the workforce, I honed my customer service skills by working in the food service industry. I am now on the journey to pursue my passion in learning more about leveraging technology to make a positive impact in the world.
